DORE@cardewgroup.com**About Downing Renewables & Infrastructure Trust plc**

DORE is a closed-end investment trust that aims to provide investors with an attractive and sustainable level of income, with an element of capital growth, by investing in a diversified portfolio of renewable energy and infrastructure assets in the UK and Northern Europe. DORE has been awarded the London Stock Exchange's Green Economy Mark in recognition of its contribution to the global 'Green Economy'.

The Board classifies DORE as a sustainable fund with a core objective of accelerating the transition to net zero through its investments, compiling and operating a diversified portfolio of renewable energy and infrastructure assets to help facilitate the transition to a more sustainable future. The Company believes that this directly contributes to climate change mitigation.

DORE's strategy, which focuses on diversification by geography, technology, revenue and project stage, is designed to increase the stability of revenues and the consistency of income to shareholders. For further details please visit www.doretrust.com.

About Downing

Downing is a responsible investment manager established in London in 1986. We currently manage £2.1 billion of assets under a broad range of investment mandates across our funds, investment trusts and tax-efficient products. As a certified B Corporation, we are focussed on creating a sustainable future, our key investment areas are renewable energy, infrastructure, property and healthcare.

Downing has c.80 professionals dedicated to renewable energy and infrastructure and a proven track record in renewables. Since 2010, Downing has made more than 200 investments and has over £920 million of assets under management in this sector.
