About DORE

DORE is a closed-end investment trust that aims to provide investors with an attractive and sustainable level of income, with an element of capital growth, by investing in a diversified portfolio of renewable energy and infrastructure assets in the UK and Northern Europe. DORE has been awarded the London Stock Exchange's Green Economy Mark in recognition of its contribution to the global 'Green Economy' and also in 2022 DORE won 'Renewables Fund of the Year' at the Sustainable Investment Awards.

The Board classifies DORE as a sustainable fund with a core objective of accelerating the transition to net zero through its investments, compiling and operating a diversified portfolio of renewable energy and infrastructure assets to help facilitate the transition to a more sustainable future. The Company believes that this directly contributes to climate change mitigation.

DORE's strategy, which focuses on diversification by geography, technology, revenue and project stage, is designed to increase the stability of revenues and the consistency of income to shareholders. For further details please visit www.doretrust.com

About Downing LLP

The Company is managed by Downing LLP, an established Investment Manager with over 30 years' experience and a considerable track record in the core renewables space. Downing is authorised and regulated by the FCA and, as at 30 June 2024, had over £2.0 billion of assets under management.

The Investment Manager has over 230 employees and partners. The team of over 49 investment and asset management specialists who focus exclusively on energy and infrastructure assets is supported by business operations, IT systems specialists, legal, HR and regulatory and compliance professionals.

The Investment Manager is responsible for the day-to-day management of the Company's investment portfolio in accordance with the Company's Investment Objective and policy, subject to the overall supervision of the DORE Board.

The Investment Manager has managed investments across various sectors in the UK and internationally and identified the Energy & Infrastructure sector as a core area of focus from as early as 2010. Since then, it has made over 190 investments in renewable energy infrastructure projects and currently oversees 640 MWp of electricity generating capacity, covering seven technologies across c.13,470 installations.
