FOR IMMEDIATE RELEASE

16 April 2025

RECOMMENDED CASH ACQUISITION

of

Harmony Energy Income Trust plc ("HEIT")

by

PP Bidco Limited ("BidCo")

(a newly formed company indirectly and wholly controlled by two funds within the portfolio of funds managed by Foresight Group LLP)

**to be effected by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

Summary

- The boards of BidCo and HEIT are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition pursuant to which BidCo shall acquire the entire issued and to be issued ordinary share capital of HEIT (the "**Acquisition**"). The Acquisition is intended to be effected by means of a scheme of arrangement under Part 26 of the Companies Act.
- Under the terms of the Acquisition, HEIT Shareholders will be entitled to receive:

for each Scheme Share held: 92.4 pence in cash.
- The Acquisition Price represents:
 - a 5 per cent. premium to the Drax Offer of 88.0 pence per HEIT Share;
 - a 42 per cent. premium to the Closing Price of 65.2 pence per HEIT Share on 14 March 2025 (being the last Business Day prior to the start of the Offer Period); and
 - a 94 per cent. premium to the Closing Price of 47.8 pence per HEIT Share on 29 May 2024 (being the last Business Day prior to the date of the announcement of HEIT's Asset Sale process).

- The Acquisition values the entire issued and to be issued ordinary share capital of HEIT at approximately £209.9 million.

Transaction Overview

- All-cash offer to acquire HEIT by BidCo, which currently is indirectly controlled by Foresight Energy Infrastructure Partners II S.C.Sp ("**FEIP II**"). The HEIT Board is unanimously recommending the Acquisition.
- BidCo has received irrevocable undertakings and a non-binding letter of intent in respect of a total of 125,994,915 HEIT Shares representing, in aggregate, approximately 55.47 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date.
- Ahead of completion of the Acquisition, Blackmead Infrastructure Limited ("**Blackmead**") will also make an equity investment in BidCo. Blackmead is a wholly owned subsidiary of Averon Park. Averon Park's principal activity is to acquire and invest in unquoted UK trading companies.
- Foresight Group LLP ("**Foresight**") is a leading investment manager in real assets and is an experienced and knowledgeable investor, through its many different funds, in UK and European battery storage assets. Foresight acts as portfolio manager to FEIP II's alternative investment fund manager in respect of FEIP II and is the discretionary investment manager of Averon Park.
- As detailed above, the Acquisition is being made by BidCo and not by Foresight, or its parent company, Foresight Group Holdings Limited.
- The Foresight Funds recognise HEIT's leading platform and consider HEIT's BESS portfolio to be highly complementary with their strategic mandates and Foresight's existing managed investments in renewable energy and storage.
- As previously announced, HEIT had made substantial progress through its Asset Sale process towards the conclusion of a definitive agreement to sell its entire portfolio to Drax. On 25 March 2025, following the publication on 17 March 2025 of a joint statement by the HEIT Board and Foresight (on behalf of one or more funds managed by Foresight and its affiliates) regarding a possible cash offer for HEIT, HEIT and Drax Bidco announced the Drax Offer and a scheme document was subsequently published in respect of the Drax Offer on 15 April 2025.
- However, having carefully considered the terms of the Acquisition with its advisers, the HEIT Board has concluded that the Acquisition, on balance, delivers a superior outcome in terms of both price and deliverability for HEIT Shareholders than the potential transaction with Drax under the Asset Sale process and in terms of price for HEIT Shareholders than the Drax Offer. Further, the HEIT Board believes the Acquisition provides HEIT Shareholders with the opportunity to realise the value of their holdings, in cash, at an attractive value which is a significant premium to the share price on 14 March 2025, particularly when viewed in the context of the substantial discount to net asset values at which companies in the UK BESS investment trust sector currently trade.
- The Acquisition represents a superior offer to the Drax Offer in terms of cash price per share to HEIT Shareholders.
- Therefore, and for the reasons set out in paragraph 5 (*Background to and reasons for the HEIT Board's recommendation*), after careful consideration together with its financial adviser, the HEIT Board has concluded that the Acquisition is in the best interests of HEIT Shareholders and HEIT as a whole. Consequently, **the HEIT Board intends to adjourn the Drax Offer Shareholder Meetings. Accordingly, the HEIT Board urges HEIT Shareholders to take no action in respect of the Drax Offer.**

HEIT Recommendation

- The HEIT Directors, who have been so advised by Panmure Liberum as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the HEIT Directors, Panmure Liberum has taken into account the commercial assessments of the HEIT Directors. Panmure Liberum is providing independent financial advice to the HEIT Directors for the purposes of Rule 3 of the Takeover Code.
- Accordingly, the HEIT Directors recommend unanimously that HEIT Shareholders vote in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting.
- In light of their recommendation of the Acquisition, the HEIT Board has unanimously withdrawn its recommendation of the Drax Offer and intends to adjourn the Drax Offer Shareholder Meetings which are due to be held on 7 May 2025. A separate announcement will be made by HEIT in this regard. The HEIT Board urges HEIT Shareholders to take no action in relation to the Drax Offer. It is noted that the HEIT

Directors (who hold 101,116 HEIT Shares representing, in aggregate, approximately 0.04 per cent. of the ordinary share capital of HEIT in issue on 15 April 2025, being the latest practicable date prior to the date of this announcement ("**Latest Practicable Date**") have provided irrevocable undertakings to vote in favour of the Drax Offer, which remain binding in the event of a higher competing offer as further described in the Drax 2.7 Announcement and therefore are unable to provide irrevocable undertakings in respect of the Scheme.

Irrevocable Undertakings and Letter of Intent

- Harmony Energy Limited, as well as certain directors of Harmony Energy Limited and Harmony Energy Advisors, have given irrevocable undertakings to vote, or procure a vote, in favour of the Scheme at the Court Meeting and the resolutions to be proposed at the General Meeting in respect of a total of 38,578,863 HEIT Shares representing, in aggregate, approximately 17.0 per cent. of the issued ordinary share capital of HEIT on the Latest Practicable Date. These irrevocable undertakings remain binding in the event of a higher competing offer for HEIT.
- In addition, BidCo has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting, and the resolutions to be proposed at the General Meeting, from:
 - PrimeStone Capital LLP in respect of a total of 25,986,450 HEIT Shares representing, in aggregate, approximately 11.44 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
 - Newton Investment Management Limited in respect of a total of 7,151,972 HEIT Shares representing, in aggregate, approximately 3.15 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
 - Nicholas Norman Cournoyer in respect of a total of 6,855,830 HEIT Shares representing, in aggregate, approximately 3.02 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
 - Church House Investments Limited in respect of a total of 3,400,000 HEIT Shares representing, in aggregate, approximately 1.50 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
 - Trinitybridge Limited in respect of a total of 2,609,923 HEIT Shares representing, in aggregate, approximately 1.15 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
 - Dowgate Wealth Limited in respect of a total of 2,546,000 HEIT Shares representing, in aggregate, approximately 1.12 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date; and
 - Forest Nominees Limited in respect of a total of 155,000 HEIT Shares representing, in aggregate, approximately 0.07 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date.

These irrevocable undertakings remain binding in the event of a higher competing offer for HEIT unless such competing offer for HEIT represents a value per HEIT Share of not less than 5 per cent. above the Acquisition Price, and BidCo does not increase the consideration offered under the Scheme to an amount which is equal to or higher than the consideration offered by the third party competing offeror either within ten days of the date of the third party's announcement or offer, or prior to the date of the Court Meeting and the General Meeting (whichever is the earliest).

- BidCo has therefore received irrevocable undertakings in respect of a total of 87,284,038 HEIT Shares representing, in aggregate, approximately 38.43 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date.
- BidCo has also received a non-binding letter of intent to vote in favour of the Scheme at the Court Meeting, and the resolutions to be proposed at the General Meeting, from Schroder & Co Limited in respect of a total of 38,710,877 HEIT Shares representing, in aggregate, approximately 17.04 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date, subject to the irrevocable undertaking given by Schroder & Co Limited in respect of the Drax Offer lapsing.
- Further details of these irrevocable undertakings and the letter of intent are set out in Appendix III to this announcement.

Structure, conditions and timetable

- It is intended that the Acquisition shall be effected by means of a scheme of arrangement between HEIT and HEIT Shareholders under Part 26 of the Companies Act, although BidCo reserves the right to implement the Acquisition by means of a Takeover Offer (subject to Panel consent and compliance with the Takeover Code).
- The Acquisition is conditional on the approval of HEIT Shareholders and subject to the further Conditions and terms set out in Appendix I to this announcement (which will be set out, in full, in the Scheme Document).
- The Acquisition shall be put to HEIT Shareholders at the Court Meeting and at the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of the HEIT Shareholders voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the HEIT Shares voted. In addition, a special resolution implementing the Scheme must be passed by HEIT Shareholders representing at least 75 per cent. of votes cast at the General Meeting. Following the Court Meeting, the Scheme must also be sanctioned by the Court.
- For the purposes of Rule 29.1(d) of the Takeover Code, a valuation of HEIT's Portfolio will be included in the Scheme Document (or, if applicable, the offer document).
- The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting will be published as soon as reasonably practicable, and, in any event, within 28 days of this announcement.
- If, on or after the date of this announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value is declared, made, or paid, or becomes payable by HEIT, BidCo reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend, distribution, or other return of value in which case any references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced.
- The Acquisition is currently expected to complete during the second quarter of 2025, subject to the satisfaction or waiver of the Conditions. An expected timetable of key events relating to the Acquisition will be set out in the Scheme Document.

Commenting on the Acquisition, Norman Crighton, Chairman of HEIT, said:

"Since its launch in 2021, HEIT has grown its portfolio of BESS assets in the UK, today consisting of eight 100 per cent. operational projects (790.8 MWh / 395.4 MW) across Great Britain. Despite positive progress in this regard, significant headwinds have curtailed HEIT's revenue growth opportunities, resulting in HEIT trading at a material and persistent discount to NAV.

The HEIT Board believes that value to HEIT Shareholders will be maximised through the terms of the Acquisition, with the Acquisition Price being at a premium to the previously announced Drax Offer. Further, the HEIT Board believes that the Acquisition will provide HEIT Shareholders with the opportunity to realise the value of their holdings, in cash, at an attractive value which is in excess of the reasonable medium-term prospects for HEIT on a standalone basis as a listed company."

Commenting on the Acquisition, Richard Thompson, Partner at Foresight, said:

"We believe that HEIT will be a highly complementary addition to our existing managed portfolio of high-quality UK battery storage assets and other investments in renewable energy, storage and grid infrastructure. Our offer provides meaningful value for HEIT shareholders. We encourage all HEIT shareholders to support our offer, in order to receive the investment liquidity and cash value for their shares we are offering today."

This summary should be read in conjunction with the full text of this announcement. The Acquisition shall be subject to the Conditions and further terms set out in Appendix I to this announcement and to the full terms and conditions which shall be set out in the Scheme Document. Appendix II to this announcement contains the sources of information and bases of calculations of certain information contained in this announcement, Appendix III contains a summary of the irrevocable undertakings received in relation to this Acquisition and Appendix IV contains definitions of certain expressions used in this summary and in this announcement.

In particular, the ability of persons who are not resident in the United Kingdom to vote their HEIT Shares with respect to the Scheme at the Court Meeting or the Resolution(s) at the General Meeting, or to appoint another person as proxy to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdiction in which they are located.

To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by BidCo or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. If the Acquisition is implemented by a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into or by use of the mails or any other means or instrumentality (including, without limitation, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national state or other securities exchange, of any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities or from or within any Restricted Jurisdiction.

The Acquisition shall be subject to English law and the jurisdiction of the Court, and, among other things, the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Financial Conduct Authority and the Registrar of Companies.

Additional information for investors in the United States

The Acquisition relates to shares of an English company admitted to trading on the Specialist Fund Segment of the London Stock Exchange and is proposed to be effected by means of a scheme of arrangement under Part 26 of the Companies Act which will be governed by English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the requirements of United States tender offer and proxy solicitation rules.

However, if BidCo were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into the United States, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by BidCo and no one else.

In accordance with normal United Kingdom practice and pursuant to Rule 14(e)-5(b) of the US Exchange Act (if applicable), BidCo or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of HEIT outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. Were they to be made, these purchases or arrangements to purchase would occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its HEIT Shares pursuant to the Acquisition may have tax consequences in the US and such consequences, if any, are not described herein. US holders of HEIT Shares are urged to consult their independent professional adviser immediately regarding the legal, tax and financial consequences of the Acquisition applicable to them.

Neither the US Securities and Exchange Commission nor any securities commission of any state or other jurisdiction of the United States has approved the Acquisition, passed judgment upon the fairness or the merits of the Acquisition, or passed judgment upon the completeness, adequacy or accuracy of this announcement. Any representation to the contrary is a criminal offence in the United States.

Financial information relating to HEIT included in this announcement and that may be included in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document) or any other documents relating to the Acquisition, has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or other companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States ("US GAAP"). US GAAP differs in certain significant respects from accounting

standards applicable in the United Kingdom. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

Each of BidCo and HEIT is organised under the laws of England and Wales. Some or all of the officers and directors of BidCo and HEIT, respectively, are residents of countries other than the United States. In addition, all of the assets of BidCo and HEIT are located outside the United States. As a result, it may be difficult for US holders of HEIT Shares to effect service of process within the United States upon BidCo or HEIT or their respective officers or directors or to enforce against them a judgment of a US court predicated upon the federal or state securities laws of the United States, including judgments based upon the civil liability provisions of the US federal securities laws. US shareholders of HEIT may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which HEIT, BidCo or any member of the Wider BidCo Group or any member of the Wider HEIT Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

All statements other than statements of historical facts included in this announcement may be forward-looking statements. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects", "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. Forward-looking statements may include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of BidCo's, HEIT's, any member of the Wider BidCo Group's or any member of the Wider HEIT Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on BidCo's, HEIT's, any member of the Wider BidCo Group's or any member of the Wider HEIT Group's business.

By their nature, forward-looking statements involve risks and uncertainties and are made based on certain key assumptions, because they relate to events and depend on circumstances that shall occur in the future. Such forward looking statements should therefore be construed in the light of such factors.

Neither HEIT nor BidCo nor any member of the Wider BidCo Group, nor any member of the Wider HEIT Group nor any of their respective associates or directors, officers, members or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to BidCo, HEIT, any member of the Wider BidCo Group or any member of the Wider HEIT Group, or any of their respective associates, members, directors, officers, employees or advisers or any persons acting on their behalf, are expressly qualified in their entirety by the cautionary statement above.

HEIT, BidCo, the Wider HEIT Group and the Wider BidCo Group expressly disclaim any obligation to update or revise such statements (or any other statements) contained in this announcement other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast, profit estimate or quantified financial benefit statement for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for BidCo, the Wider BidCo Group or HEIT, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for BidCo, the Wider BidCo Group or HEIT, as appropriate.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. RECOMMENDED CASH ACQUISITION

for

Harmony Energy Income Trust plc ("HEIT")

by

PP Bidco Limited ("BidCo")

(a newly formed company indirectly and wholly controlled by two funds within the portfolio of funds managed by Foresight Group LLP)

**to be effected by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

The boards of BidCo and HEIT are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition pursuant to which BidCo shall acquire the entire issued and to be issued ordinary share capital of HEIT (the "**Acquisition**"). The Acquisition is intended to be effected by means of a scheme of arrangement under Part 26 of the Companies Act.

2. The Acquisition

Under the terms of the Acquisition, which shall be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, HEIT Shareholders shall be entitled to receive:

for each Scheme Share: 92.4 pence in cash.

The Acquisition Price represents:

- a 5 per cent. premium to the Drax Offer of 88.0 pence per HEIT Share;
- a 42 per cent. premium to the Closing Price of 65.2 pence per HEIT Share on 14 March 2025 (being the last Business Day prior to the start of the Offer Period); and
- a 94 per cent. premium to the Closing Price of 47.8 pence per HEIT Share on 29 May 2024 (being the last Business Day prior to the date of the announcement of HEIT's Asset Sale process).

The Acquisition values the entire issued and to be issued ordinary share capital of HEIT at approximately £209.9 million.

If, on or after the date of this announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value is declared, made, or paid, or becomes payable by HEIT, BidCo reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend, distribution, or other return of value in which case any references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced. In such circumstances, HEIT Shareholders shall be entitled to retain any such dividend, distribution, or other return of value declared, made, or paid.

The Scheme Document containing further information about the Acquisition and the Scheme and notices of the Court Meeting and the General Meeting will be published as soon as reasonably practicable and, in

any event, within 28 days of this announcement, unless BidCo and HEIT otherwise agree, and the Panel consents, to a later date. It is expected that the Court Meeting and the General Meeting will be held as soon as practicable thereafter, giving the required notice periods, and that, subject to the satisfaction or (where relevant) waiver of the Conditions, the Scheme is expected to become Effective during the second quarter of 2025.

BidCo reserves the right to elect (with the consent of the Panel and in compliance with the Takeover Code) to implement the Acquisition by way of a Takeover Offer for the HEIT Shares as an alternative to the Scheme.

3. **Background to and reasons for the Acquisition**

The Acquisition will be made by BidCo. At completion of the Acquisition, BidCo will be controlled by FEIP II and Averon Park, which are both funds managed by Foresight. Foresight is a leading investment manager in real assets and in providing capital for growth with extensive experience, through its many different funds, of investing in energy transition, renewables and infrastructure projects, and is an experienced and knowledgeable investor inter alia in UK and European battery storage assets.

Foresight has closely followed HEIT and its battery storage assets over a number of years, and believes the management team and Board of HEIT has established a high-quality portfolio of assets which fit well with Foresight's existing managed portfolio of UK battery storage assets. In particular, Foresight notes that HEIT operates the largest exclusively 2-hour duration battery energy storage systems ("**BESS**") portfolio in Great Britain across its eight projects. Foresight has actively monitored opportunities in the GB BESS market and believes strongly that the Acquisition represents a scarce opportunity to acquire a portfolio of assets which is highly complementary to its other investment activities and offers immediate cash yield underpinned by high quality technology choices and a robust operating track record. With a longstanding, substantial portfolio of managed renewable energy assets in the UK, Foresight considers that the rapid development of renewable energy platforms in the GB energy market will further enhance the importance of BESS within the industry, leading to a favourable shift in the market cycle and providing material revenue and growth opportunities in the sector.

Acquisition by BidCo and its funding

The Acquisition will be made by BidCo, a newly formed company. At completion of the Acquisition, BidCo will be controlled by FEIP II and Averon Park. FEIP II invests in diversified and differentiated energy transition assets, and in particular in assets which assist with eliminating bottlenecks to the energy transition. Ahead of completion of the Acquisition, Blackmead, a wholly owned subsidiary of Averon Park, will also make an equity investment in BidCo. Averon Park's principal activity is to acquire and investment in unquoted UK trading companies. The Foresight Funds recognise HEIT's leading platform and consider HEIT's BESS portfolio to be highly complementary with the Foresight Funds' strategic mandates and Foresight's existing managed investments in renewable energy and storage. Further, the acquisition of HEIT enhances the Foresight Funds' growth in the UK battery storage market, which is a core area of investment for the Foresight Funds.

The Foresight Funds, with access to capital and the benefit of a long-term investment approach, further believe HEIT's growth and development will be best served as a private business under BidCo's ownership. This will allow it to continue to deliver on its strategic objectives whilst enabling it to respond to the ongoing structural changes in its industry in the medium and long term.

4. **Recommendation of the HEIT Board**

The HEIT Directors, who have been so advised by Panmure Liberum as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the HEIT Directors, Panmure Liberum has taken into account the commercial assessments of the HEIT Directors. Panmure Liberum is providing independent financial advice to the HEIT Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, for the reasons set out below, the HEIT Directors recommend unanimously that HEIT Shareholders vote in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer). In light of their recommendation of the Acquisition, the HEIT Board has unanimously withdrawn its recommendation of the Drax Offer and intends to adjourn the Drax Offer Shareholder Meetings which are due to be held on 7 May 2025. A separate announcement will be made by HEIT in this regard. The HEIT Board urges HEIT Shareholders to take no action in relation to the Drax Offer.

It is noted that the HEIT Directors (who hold 101,116 HEIT Shares representing, in aggregate, approximately 0.04 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date) have provided irrevocable undertakings to vote in favour of the Drax Offer, which remain binding in the

event of a higher competing offer as further described in the Drax 2.7 Announcement and therefore are unable to provide irrevocable undertakings in respect of the Scheme.

5. **Background to and reasons for the HEIT Board's recommendation**

Background

HEIT was launched in November 2021 to invest in battery energy storage systems ("**BESS**") in Great Britain. HEIT, by way of a fundraising and issuance of shares at IPO, acquired an initial portfolio of five BESS development projects (the "**Seed Portfolio**") in accordance with HEIT's investment objective and policy. HEIT sought to deliver to HEIT Shareholders an 8 per cent. per annum quarterly dividend (based on the IPO issue price of 100p and once the portfolio was fully operational) and an unlevered Net Asset Value total return of 10 per cent. per annum over the medium to long-term.

HEIT's Seed Portfolio was acquired from Harmony Energy and, at the same time, HEIT entered in a pipeline agreement giving it exclusive rights to acquire further BESS projects from Harmony Energy. The first such project (Bumpers, 198 MWh / 99 MW) was acquired by HEIT in August 2022. In October 2022, HEIT raised an additional £15 million to allow it to exercise its rights under the pipeline agreement and acquire three additional assets. The new projects increased HEIT's portfolio to nine BESS projects with a total capacity of approximately 1GWh / 500MW. One of these projects, Rye Common (99MW) was subsequently sold (pre-construction) in September 2023. The balance of the portfolio was built out on a staggered basis, with the first project commencing operations in November 2022. Following the completion of construction of the final project in October 2024, HEIT's portfolio of fully operational assets consists of eight 2-hour duration BESS projects totalling 790.8 MWh / 395.4 MW.

Performance since IPO

Despite positive progress on the construction of HEIT's portfolio, a more challenging environment for BESS assets emerged through 2023 which impacted revenue performance. This volatile environment led to a 4.5 per cent. fall in the NAV per share as at 31 October 2023, driven predominantly by a reduction in third party revenue assumptions. For the year ended 31 October 2023 ("**FY 2023**"), HEIT reported that actual revenues achieved had been below independent forecasts and this variance in revenue predictability, coupled with higher interest rates, negatively impacted the share price of HEIT.

BESS revenues for FY 2023 were markedly lower than revenue generated in the same period in 2022. Whilst a reduction from the highs of 2022 was expected and built into third party revenue forecasts, the scale and the speed of the reduction exceeded market expectations. There were multiple drivers of this reduction in revenue, both macro and sector-specific:

- **Saturation of ancillary service markets.** The high rate of build-out of BESS in Great Britain led to saturation of ancillary services and had driven clearing prices for such services to record low levels. This was widely anticipated and HEIT positioned its 2-hour duration portfolio specifically to protect against this event and take maximum advantage of the inevitable shift by BESS towards "arbitrage" strategies: wholesale market trading and the Balancing Mechanism ("**BM**").
- **Reduction in wholesale power price volatility and spreads.** As a 2-hour duration portfolio, this is more relevant to HEIT than ancillary services. Wholesale spreads narrowed in FY 2023 and the first quarter of FY 2024 primarily due to a reduction in natural gas prices. In addition, Great Britain was importing a large volume of energy from Europe (via interconnectors) and high consumer prices had encouraged a material reduction in consumer energy usage and demand.
- **Implementation issues with National Grid ESO** (subsequently re-branded as "**NESO**") Open Balancing Platform ("**OBP**"). Another key factor in revenue weakness was NESO's continued sporadic use of BESS in the BM. Despite a well-publicised policy and comprehensive plan from NESO to increase BESS dispatch rates in the BM via process and software enhancements over 2024 and 2025, the December 2023 launch of the new "bulk dispatch" software was curtailed due to technical issues. Since its re-launch on 8 January 2024, NESO was noted to only be using OBP intermittently, with HEIT's portfolio having experienced some days of high BM volume, and some of zero. BESS projects utilise algorithms and AI software to execute revenue strategies, and so the inconsistent use of OBP by NESO not only limited BESS volumes in the BM, but also created uncertainty over how much daily capacity BESS can dedicate to other strategies and services.

The factors listed above caused HEIT to announce the postponement (and subsequent cancellation) of its first quarterly dividend for the financial year ended 31 October 2024 ("**FY 2024**"). The HEIT Board also announced that it had restructured HEIT's existing debt facilities (to reflect that 70 per cent. of the portfolio's MW capacity was then operational) in February 2024, and reviewed its dividend policy to be a proportion of operational free cash flow.

HEIT did experience an improvement in portfolio revenues during the course of 2024, due to a threefold increase in captured BM volumes in the spring versus the winter and as software and process enhancements at NESO began to take effect. As wind and solar generation increased their proportionate share of Great Britain's electricity "stack", wholesale power spreads become wider and more volatile, thereby increasing arbitrage opportunities for BESS. Ultimately, total net revenue generation for the period ending 31 October 2024 was £16.3 million (£58.2k/MW/Yr) based on a weighted average operational capacity of 280.4 MW.

Post-FY 2024, revenue per MW remained strong as expected in the winter period. The first quarter of the financial year 2025 (ended 31 January 2025) saw average revenue of £97.8k / MW (97 per cent. higher than the same period during the previous financial year). As a result of higher operating capacity and stronger market conditions, HEIT's revenue for the period from 1 November 2024 to 31 January 2025 was approximately £9.7 million, equal to 63 per cent. of the total revenue earned by HEIT during FY 2024.

Current Market Backdrop

The HEIT Share price has traded at a material and persistent discount to NAV since early 2023. The HEIT Board believes that this has been driven by a number of factors, including:

- **Challenging macroeconomic conditions**, notably the rapid rise in interest rates which has resulted in a higher cost of capital for investors and persistent equity outflows from the UK, which has resulted in a general shift in market sentiment away from UK investment trusts. This has resulted in the UK investment trust sector, as a whole, trading at a material discount to NAV. The HEIT Board notes that these pressures persist, and the UK BESS investment trust sector (excluding HEIT) is currently trading at an approximate 46 per cent. discount to published NAV. This discount to NAV continues to restrict HEIT's ability to raise further capital and thus prevents HEIT from taking advantage of its right of first refusal over Harmony Energy's development pipeline and grow its asset base.
- **Volatility in revenues** caused by the Ukraine conflict and other geopolitical events, with periods where revenues have been both significantly higher and significantly lower than independent forecasts, which led to HEIT cancelling its dividend for FY 2024 in February 2024, as described above. Whilst the HEIT Board is encouraged by the recent high revenue levels of the portfolio and continues to believe in the strength of HEIT's asset base, the HEIT Board expects there will continue to be an element of seasonality to HEIT's revenues and there is no guarantee that these current revenue levels will persist.

Asset Sale Process

It was in this context, and in order to explore opportunities to maximise value for HEIT Shareholders, that the HEIT Board engaged Jones Lang LaSalle in May 2024 with a mandate to seek offers for some, or all, of the HEIT portfolio (the "**Asset Sale**"). The aim of this process was to demonstrate to the market the true value of the HEIT portfolio and the continuing disconnect with the share price. At the time, HEIT's shares were trading at an approximately 50 per cent. discount to the published Adjusted Net Asset Value per share.

This process attracted strong interest from multiple bidders, including several bids for all of the HEIT portfolio, and HEIT progressed to a final stage of negotiations with Drax on an exclusive basis in December 2024 in relation to a sale of the entire HEIT portfolio. Further updates were made on 26 February 2025 and 11 March 2025 confirming that both parties were continuing to progress towards conclusion of a definitive agreement of the Asset Sale.

Offers from Drax and BidCo and factors considered by the HEIT Board

It was against this backdrop of very substantial progress through the Asset Sale process that HEIT received a proposal made on behalf of one or more funds managed by Foresight to acquire 100 per cent. of the issued share capital of HEIT. On 17 March 2025, HEIT and Foresight (on behalf of one or more funds managed by Foresight and its affiliates) announced they had agreed the financial terms of an offer by one or more funds managed by Foresight and its affiliates for the entire issued share capital of HEIT at 84.0 pence per share. This announcement stated that the HEIT Board had indicated to Foresight that, should a firm offer be made by one of more of its managed funds on the financial terms set out above, it would be minded to recommend such an offer to HEIT Shareholders.

On 25 March 2025, HEIT and Drax Bidco, a wholly owned subsidiary of Drax, announced that they had agreed the terms of an acquisition of the entire issued and to be issued ordinary share capital of HEIT by Drax Bidco, intended to be implemented by way of a scheme of arrangement under Part 26 of the Companies Act (the "**Drax 2.7 Announcement**"). The Drax 2.7 Announcement (and the scheme document subsequently published on 15 April 2025 in respect of the Drax Offer) included a unanimous

recommendation from the HEIT Board to the HEIT Shareholders to vote in favour of the Drax Offer at the Drax Offer Shareholder Meetings.

As set out in this announcement, the Boards of HEIT and BidCo have now reached agreement on the terms of a recommended cash Acquisition, following the receipt of a superior offer at 92.4 pence per share, pursuant to which BidCo shall acquire the entire issued and to be issued ordinary share capital of HEIT.

The HEIT Board has carefully considered the terms of the Acquisition with its advisers and has concluded that, on balance, it delivers a superior outcome in terms of both price and deliverability for shareholders than the potential transaction with Drax under the Asset Sale process and in terms of price for shareholders than the Drax Offer.

The financial terms of the Acquisition represent:

- a 5 per cent. premium to the Drax Offer of 88.0 pence per HEIT Share;
- a 42 per cent. premium to the Closing Price of 65.2 pence per HEIT Share on 14 March 2025 (being the last Business Day prior to the start of the Offer Period); and
- a 94 per cent. premium to the Closing Price of 47.8 pence per HEIT Share on 29 May 2024 (being the last Business Day prior to the date of the announcement of HEIT's Asset Sale process).

Therefore, after careful consideration together with its financial adviser, the HEIT Board has concluded that the Acquisition is in the best interests of HEIT Shareholders and HEIT as a whole. Accordingly, the HEIT Directors recommend unanimously the Acquisition to HEIT Shareholders and consequently, the HEIT Board has unanimously withdrawn its recommendation of the Drax Offer and intends to adjourn the Drax Offer Shareholder Meetings. A separate announcement will be made by HEIT in this regard.

6. Irrevocable undertakings and letter of intent

Harmony Energy Limited, as well as certain directors of Harmony Energy Limited and Harmony Energy Advisors, have given irrevocable undertakings to vote, or procure a vote, in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of a total of 38,578,863 HEIT Shares representing, in aggregate, approximately 17.0 per cent. of the issued ordinary share capital of HEIT on the Latest Practicable Date. These irrevocable undertakings remain binding in the event of a higher competing offer for HEIT.

In addition, BidCo has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) from:

- PrimeStone Capital LLP in respect of a total of 25,986,450 HEIT Shares representing, in aggregate, approximately 11.44 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
- Newton Investment Management Limited in respect of a total of 7,151,972 HEIT Shares representing, in aggregate, approximately 3.15 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
- Nicholas Norman Cournoyer in respect of a total of 6,855,830 HEIT Shares representing, in aggregate, approximately 3.02 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
- Church House Investments Limited in respect of a total of 3,400,000 HEIT Shares representing, in aggregate, approximately 1.50 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
- Trinitybridge Limited in respect of a total of 2,609,923 HEIT Shares representing, in aggregate, approximately 1.15 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date;
- Dowgate Wealth Limited in respect of a total of 2,546,000 HEIT Shares representing, in aggregate, approximately 1.12 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date; and
- Forest Nominees Limited in respect of a total of 155,000 HEIT Shares representing, in aggregate, approximately 0.07 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date.

These irrevocable undertakings remain binding in the event of a higher competing offer for HEIT unless such competing offer for HEIT represents a value per HEIT Share of not less than 5 per cent. above the Acquisition Price, and BidCo does not increase the consideration offered under the Scheme to an amount which is equal to or higher than the consideration offered by the third party competing offeror either within ten days of the date of the third party's announcement or offer, or prior to the date of the Court Meeting and the General Meeting (whichever is the earliest).

BidCo has therefore received irrevocable undertakings in respect of a total of 87,284,038 HEIT Shares representing, in aggregate, approximately 38.43 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date.

- BidCo has also received a non-binding letter of intent to vote in favour of the Scheme at the Court Meeting, and the resolutions to be proposed at the General Meeting, from Schroder & Co Limited in respect of a total of 38,710,877 HEIT Shares representing, in aggregate, approximately 17.04 per cent. of the ordinary share capital of HEIT in issue on the Latest Practicable Date, subject to the irrevocable undertaking given by Schroder & Co Limited in respect of the Drax Offer lapsing.

Further details of these irrevocable undertakings and the letter of intent are set out in Appendix III to this announcement.

8. Information on HEIT

HEIT is a UK-based investment trust, investing in a diversified portfolio of utility-scale energy storage and renewable energy generation assets in Great Britain. HEIT primarily focuses on battery energy storage systems, which play a crucial role in the transition to a cleaner energy system. These systems store energy and release it when needed, helping to balance supply and demand on the grid, and facilitate the integration of renewable energy sources like wind and solar power.

HEIT's portfolio consists of 100 per cent operational BESS across eight projects (790.8 MWh / 395.4 MW) in Great Britain.

For FY 2024, HEIT reported revenue of £16.3 million (£58.2k/MW/Yr) and a NAV of £201.05 million (88.52 pence per HEIT Share), a reduction of 23.30% (a decrease of 26.89 pence per HEIT Share) from the NAV reported as at 31 October 2023. The NAV total return over FY 2024 was reported to be 21.57%. NAV total return since IPO was reported to be -2.43%.

On 26 February 2025, HEIT reported an unaudited NAV of £209.83 million (92.38 pence per HEIT Share) at 31 January 2025, an increase of 3.86 pence per HEIT Share (or an increase of 4.36%) compared to 31 October 2024.

9. Intentions of BidCo and the Foresight Funds

Existing management arrangements

Following completion of the Acquisition, BidCo intends to engage with Harmony Energy Advisors to agree the terms of an Asset Management Agreement (the "**AMA**") for the provision of asset management services to HEIT. The AMA would replace the existing AIFM Agreement and Investment Advisory Agreement (together, the "**Existing Management Arrangements**"). Accordingly, subject to reaching agreement on the terms of the AMA, BidCo intends to terminate the Existing Management Arrangements following completion of the Acquisition in accordance with their terms.

Current portfolio

The Foresight Funds are supportive of HEIT's existing strategy for operating and managing its portfolio of BESS assets. Following the completion of the Acquisition, BidCo intends to retain the existing assets that constitute HEIT's BESS portfolio and maintain the current operation of these assets.

Employees, fixed assets, research and development

As HEIT is an externally managed investment trust, HEIT does not have any employees and therefore does not operate any pension schemes, nor does it have any arrangements in place for any employee involvement in its capital.

HEIT has no place of business, fixed assets (other than its BESS portfolio), research and development function, or headquarters.

Other than as set out above in relation to the Existing Management Arrangements and below in relation to the HEIT Directors, BidCo does not currently have any intentions that would result in any change to the balance of skills and functions required to operate the business.

Board composition and governance arrangements

As noted below, BidCo intends to cancel the trading of HEIT Shares on the London Stock Exchange immediately following the Effective Date. Consequently, HEIT will not require publicly traded company governance structures and, accordingly, it is intended that each of the HEIT Directors will resign from the HEIT Board with effect on and from the Effective Date.

Trading facilities

HEIT Shares are currently admitted to trading on the London Stock Exchange's Specialist Fund Segment. As set out in paragraph 13, application will be made for the cancellation of trading of HEIT Shares on the London Stock Exchange's Specialist Fund Segment and steps will be taken to re-register HEIT as a private company.

Following the Effective Date, HEIT will cease to have been an investment trust effective from the start of the accounting period in which the Acquisition takes place.

No post-offer undertakings

No statements in this paragraph 9 are "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

10. Financing

The cash consideration payable by BidCo to HEIT Shareholders pursuant to the Acquisition will be funded from equity and debt contributed to BidCo by FEIP II and Blackmead.

FEIP II and BidCo entered into an Equity Commitment Letter on 16 April 2025 pursuant to which FEIP II has committed an amount of £102,834,607 to be used to partially fund the Acquisition.

Blackmead and BidCo entered into a Funding Agreement for £107,031,938 on 16 April 2025, pursuant to which Blackmead agreed to fund the balance of the Acquisition.

RBC Capital Markets, in its capacity as financial adviser to BidCo and Foresight, is satisfied that sufficient resources are available to BidCo to satisfy in full the cash consideration payable to HEIT Shareholders pursuant to the terms of the Acquisition.

11. Offer-related arrangements

Confidentiality Agreement

Foresight and Harmony Energy Advisors entered into a confidentiality agreement dated 5 August 2024 pursuant to which Foresight agreed to keep confidential information relating to HEIT and its assets and, subject to certain exceptions, not to disclose it other than in relation to a transaction related to HEIT's assets, or to third parties (other than to certain permitted parties) unless required by applicable law or regulation, or any governmental or competent regulatory authority (including any relevant securities exchange). The confidentiality obligations remain in force until the earlier of (i) two years from the date of the Confidentiality Agreement; and (ii) the date the parties enter into a definitive written agreement in connection with a transaction related to HEIT's assets.

Standstill Agreement

FEIP II and HEIT entered into a standstill agreement on 5 November 2024 pursuant to which FEIP II agreed to certain standstill undertakings. All such undertakings ceased to apply upon the release of the Drax 2.7 Announcement.

12. Structure of and Conditions to the Acquisition

It is intended that the Acquisition will be effected by means of a scheme of arrangement between HEIT and HEIT Shareholders under Part 26 of the Companies Act, although BidCo reserves the right to implement the Acquisition by means of a Takeover Offer (subject to Panel consent and in compliance with the Takeover Code).

The Scheme of Arrangement is a formal arrangement between HEIT and its shareholders, which is governed by the Companies Act. The Scheme of Arrangement must be approved both by the HEIT Shareholders and the Court.

If sanctioned, upon becoming Effective, the Scheme will bind all HEIT Shareholders (regardless of whether or not they attended, or voted, at the Court Meeting or the General Meeting (and if they attended and voted, in what way they voted)). The purpose of the Scheme is to provide for BidCo to become the holder of the entire issued and to be issued ordinary share capital of HEIT as at the Effective Date. This is to be achieved by the transfer of the HEIT Shares to BidCo, in consideration for which the HEIT Shareholders shall receive the cash consideration on the basis set out in paragraph 2 of this announcement. The consideration payable under the terms of the Acquisition will be despatched to HEIT Shareholders no later than 14 days after the Effective Date.

The Acquisition shall be subject to the Conditions and further terms set out below and in Appendix I to this announcement and the full terms and conditions to be set out in the Scheme Document and shall only become Effective, if, among other things, the following events occur on or before 11.59 p.m. on the Long-Stop Date:

- (i) the approval of the Scheme by a majority in number of the HEIT Shareholders who are present and vote, whether in person or by proxy, at the Court Meeting and who represent 75 per cent. in value of the HEIT Shares voted by those HEIT Shareholders;

- (ii) the Resolution(s) required to implement the Scheme being duly passed by HEIT Shareholders representing the requisite majority or majorities of votes cast at the General Meeting (or any adjournment thereof);
- (iii) the sanction of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to HEIT and BidCo); and
- (iv) the delivery of a copy of the Court Order to the Registrar of Companies.

The Scheme shall lapse if:

- the Court Meeting and the General Meeting are not held by the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date as may be (i) agreed between BidCo and HEIT or (ii), in a competitive situation, specified by BidCo with the consent of the Panel);
- the Court Hearing is not held by the 22nd day after the expected date of such hearing to be set out in the Scheme Document (or such later date as may be agreed between BidCo and HEIT); or
- the Scheme does not become Effective by no later than 11.59 p.m. on the Long-Stop Date),

provided, however, that the deadlines for the timing of the Court Meeting, the General Meeting and the Court Hearing as set out above may be waived by BidCo, and the Long-Stop Date may be extended by agreement between HEIT and BidCo with the consent of the Panel and (where relevant) the Court.

Once the necessary approvals from HEIT Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived, the Scheme must be sanctioned by the Court (with or without modification but with any such modification being acceptable to HEIT and BidCo). The Scheme will become Effective upon delivery to the Registrar of Companies of a copy of the Court Order.

Further details of the Scheme, including an indicative timetable for its implementation, shall be set out in the Scheme Document which, together with the Forms of Proxy, shall be published as soon as reasonably practicable and, in any event, within 28 days of this announcement, unless BidCo and HEIT otherwise agree, and the Panel consents, to a later date. It is expected that the Court Meeting and the General Meeting will be held as soon as practicable thereafter, giving the required notice periods, and, subject to the satisfaction or (where relevant) waiver of the Conditions, the Scheme is expected to become Effective during the second quarter of 2025. The Scheme Document and Forms of Proxy shall be made available to all HEIT Shareholders at no charge to them.

13. **De-listing**

Prior to the Scheme becoming Effective, HEIT shall make an application for the cancellation of trading of the HEIT Shares on the London Stock Exchange's Specialist Fund Segment to take effect on or shortly after the Effective Date. The last day of dealings in HEIT Shares on the London Stock Exchange's Specialist Fund Segment is expected to be the Business Day immediately prior to the Effective Date and no transfers shall be registered after 6.00 p.m. on that date.

On the Effective Date, HEIT will become a wholly-owned subsidiary of BidCo and share certificates in respect of HEIT Shares shall cease to be valid and entitlements to HEIT Shares held within the CREST system shall be cancelled.

14. **Dividends**

If, on or after the date of this announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value is declared, made or paid, or becomes payable by HEIT, BidCo reserves the right to reduce the Acquisition Price by an amount up to the amount of such dividend, distribution, or other return of value in which case references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced. In such circumstances, HEIT Shareholders shall be entitled to retain any such dividend, distribution, or other return of value declared, made, or paid.

15. **Disclosure of interests in HEIT**

As at the close of business on the Latest Practicable Date, save as set out in the irrevocable undertakings referred to in paragraph 6 of this announcement, neither BidCo or any of its directors, nor, so far as BidCo is aware, any person acting in concert (within the meaning of the Takeover Code) with it has: (i) any interest in or right to subscribe for any relevant securities of HEIT; (ii) any short positions in respect of relevant HEIT Shares (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; (iii) any Dealing Arrangement, in relation to HEIT Shares or in relation to any securities convertible or exchangeable into HEIT Shares; or (iv) borrowed or lent any relevant HEIT Shares (including, for these purposes, any financial collateral arrangements of the kind

referred to in Note 3 on Rule 4.6 of the Takeover Code), save for any borrowed shares which had been either on-lent or sold.

'Interests in securities' for these purposes arise, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person shall be treated as having an 'interest' by virtue of the ownership, voting rights, or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities and 'relevant securities of HEIT' are HEIT Shares or securities convertible or exchangeable into HEIT Shares.

16. General

BidCo reserves the right to elect (with the consent of the Panel and in compliance with the Takeover Code) to implement the Acquisition by way of a Takeover Offer for the HEIT Shares as an alternative to the Scheme. In such event, the Takeover Offer shall be implemented on the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments, including (without limitation) an acceptance condition set at a level permitted by the Panel.

The Acquisition shall be made subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document. For the purposes of Rule 29.1(d) of the Takeover Code, a valuation of HEIT's portfolio will be included in the Scheme Document (or, if applicable, the offer document). The bases and sources of certain financial information contained in this announcement are set out in Appendix II to this announcement. A summary of the irrevocable undertakings given in relation to the Acquisition is contained in Appendix III to this announcement. Certain terms used in this announcement are defined in Appendix IV to this announcement.

RBC Capital Markets, Panmure Liberum and Stifel have each given and not withdrawn their consent to the publication of this announcement with the inclusion herein of the references to their names in the form and context in which they appear.

17. Documents available on website

This announcement is for information purposes only and is not intended to and does not constitute, or form part of, an offer to sell or an invitation to purchase any securities or the solicitation of an offer to buy, otherwise acquire, subscribe for, sell or otherwise dispose of any securities, pursuant to the Acquisition or otherwise, nor shall there be any purchase, sale, issuance or exchange of securities or such solicitation in any jurisdiction in which such offer, invitation, solicitation, purchase, sale, issuance or exchange is unlawful.

The Acquisition shall be made solely by means of the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, any document by which the Takeover Offer is made) which, together with the Forms of Proxy (or forms of acceptance, if applicable), shall contain the full terms and conditions of the Acquisition, including details of how to vote in respect of the resolutions proposed in connection with the Acquisition. Any vote, approval, decision in respect of, or other response to, the Acquisition should be made only on the basis of the information contained in the Scheme Document (or if the Acquisition is to be implemented by way of a Takeover Offer, the offer document).

The statements contained in this announcement are made as at the date of this announcement, unless some other time is specified in relation to them, and the release of this announcement shall not give rise to any implication that there has been no change in the facts set out in this announcement since such date.

This announcement has been prepared for the purpose of complying with English law, the Takeover Code, the Market Abuse Regulation and the Disclosure Guidance and Transparency Rules, and the information disclosed may not be the same as that which would have been disclosed if this announcement had been prepared in accordance with the laws of any other jurisdictions.

HEIT and BidCo shall prepare the Scheme Document (or if the Acquisition is to be implemented by way of a Takeover Offer, the offer document) to be distributed to HEIT Shareholders. HEIT Shareholders should not make any investment decision in relation to the Acquisition except on the basis of the Scheme Document (or if the Acquisition is to be implemented by way of a Takeover Offer, the offer document). HEIT and BidCo urge HEIT Shareholders to read the Scheme Document in full when it becomes available because it shall contain important information relating to the Acquisition.

No person should construe the contents of this announcement as legal, financial or tax advice. If you are in any doubt about the contents of this announcement or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, solicitor, accountant or from an independent financial adviser duly authorised under FSMA if you are resident in the United Kingdom, or another appropriately authorised independent financial adviser, if you are in a territory outside the United Kingdom.

Overseas Shareholders

The release, publication or distribution of this announcement in or into certain jurisdictions other than the United Kingdom may be restricted by the laws and/or regulations of those jurisdictions. Persons into whose possession this announcement comes who are not resident in the United Kingdom or who are subject to the laws and/or regulations of any jurisdiction other than the United Kingdom should inform themselves of, and observe, any such applicable laws and/or regulations in their jurisdiction. In particular, the ability of persons who are not resident in the United Kingdom to vote their HEIT Shares with respect to the Scheme at the Court Meeting or the Resolution(s) at the General Meeting, or to appoint another person as proxy to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdiction in which they are located. Further details in relation to Overseas Shareholders will be contained in the Scheme Document. Any failure to comply with any such restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by BidCo or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents

relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction. If the Acquisition is implemented by a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into or by use of the mails or any other means or instrumentality (including, without limitation, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national state or other securities exchange, of any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities or from or within any Restricted Jurisdiction.

The Acquisition shall be subject to English law and the jurisdiction of the Court, and, among other things, the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Financial Conduct Authority and the Registrar of Companies.

Additional information for investors in the United States

The Acquisition relates to shares of an English company admitted to trading on the Specialist Fund Segment of the London Stock Exchange and is proposed to be effected by means of a scheme of arrangement under Part 26 of the Companies Act which will be governed by English law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act.

Accordingly, the Acquisition is subject to the disclosure and procedural requirements applicable in the United Kingdom to schemes of arrangement which differ from the requirements of United States tender offer and proxy solicitation rules.

However, if BidCo were to elect to implement the Acquisition by means of a Takeover Offer and determines to extend such Takeover Offer into the United States, such Takeover Offer shall be made in compliance with all applicable United States laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the United States by BidCo and no one else.

In accordance with normal United Kingdom practice and pursuant to Rule 14(e)-5(b) of the US Exchange Act (if applicable), BidCo or its nominees, or its brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of HEIT outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. Were they to be made, these purchases or arrangements to purchase would occur either in the open market at prevailing prices or in private transactions at negotiated prices and would comply with applicable law, including the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required in the UK, shall be reported to a Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

The receipt of consideration by a US holder for the transfer of its HEIT Shares pursuant to the Acquisition may have tax consequences in the US and such consequences, if any, are not described herein. US holders of HEIT Shares are urged to consult their independent professional adviser immediately regarding the legal, tax and financial consequences of the Acquisition applicable to them.

Neither the US Securities and Exchange Commission nor any securities commission of any state or other jurisdiction of the United States has approved the Acquisition, passed judgment upon the fairness or the merits of the Acquisition, or passed judgment upon the completeness, adequacy or accuracy of this announcement. Any representation to the contrary is a criminal offence in the United States.

Financial information relating to HEIT included in this announcement and that may be included in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document) or any other documents relating to the Acquisition, has been or shall have been prepared in accordance with accounting standards applicable in the United Kingdom and may not be comparable to financial information of US companies or other companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States ("**US GAAP**"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

Each of BidCo and HEIT is organised under the laws of England and Wales. Some or all of the officers and directors of BidCo and HEIT, respectively, are residents of countries other than the United States. In addition, all of the assets of BidCo and HEIT are located outside the United States. As a result, it may be difficult for US holders of HEIT Shares to effect service of process within the United States upon BidCo or HEIT or their respective officers or directors or to enforce against them a judgment of a US court predicated upon the federal or state securities laws of the United States, including judgments based upon the civil liability provisions of the US federal

securities laws. US shareholders of HEIT may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's jurisdiction or judgment.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by HEIT, BidCo, any member of the Wider BidCo Group or any member of the Wider HEIT Group contain statements which are, or may be deemed to be, "forward looking statements" about BidCo, HEIT, the Wider BidCo Group and/or the Wider HEIT Group. Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which HEIT, BidCo or any member of the Wider BidCo Group or any member of the Wider HEIT Group shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements.

All statements other than statements of historical facts included in this announcement may be forward-looking statements. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "budget", "scheduled", "forecasts", "synergy", "strategy", "goal", "cost-saving", "projects" "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. Forward-looking statements may include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of BidCo's, HEIT's, any member of the Wider BidCo Group's or any member of the Wider HEIT Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on BidCo's, HEIT's, any member of the Wider BidCo Group's or any member of the Wider HEIT Group's business.

By their nature, forward-looking statements involve risks and uncertainties and are made based on certain key assumptions, because they relate to events and depend on circumstances that shall occur in the future. Many factors could cause actual results to differ materially from those projected or implied in any forward-looking statements, including but not limited to the satisfaction of or failure to satisfy all or any of the conditions to the Acquisition, as well as additional factors, such as changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates, future business combinations or disposals, and any epidemic, pandemic or disease outbreak. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward looking statements should therefore be construed in the light of such factors.

Neither HEIT nor BidCo nor any member of the Wider BidCo Group, nor any member of the Wider HEIT Group nor any of their respective associates or directors, officers, members or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement shall actually occur. Given these risks and uncertainties, potential investors should not place any reliance on forward looking statements.

The forward-looking statements speak only at the date of this announcement. All subsequent oral or written forward-looking statements attributable to BidCo, HEIT, any member of the Wider BidCo Group or any member of the Wider HEIT Group, or any of their respective associates, members, directors, officers, employees or advisers or any persons acting on their behalf, are expressly qualified in their entirety by the cautionary statement above.

HEIT, BidCo, the Wider HEIT Group and the Wider BidCo Group expressly disclaim any obligation to update or revise such statements (or any other statements) contained in this announcement other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

No profit forecasts or estimates

No statement in this announcement is intended as a profit forecast, profit estimate or quantified financial benefit statement for any period and no statement in this announcement should be interpreted to mean that earnings or earnings per share for BidCo, the Wider BidCo Group or HEIT, as appropriate, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for BidCo, the Wider BidCo Group or HEIT, as appropriate.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in

respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they shall be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at <http://www.thetakeoverpanel.org.uk/>, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Electronic communications

Please be aware that addresses, electronic addresses and certain information provided by HEIT Shareholders, persons with information rights and other relevant persons for the receipt of communications from HEIT may be provided to BidCo during the Offer Period as requested under Section 4 of Appendix 4 of the Takeover Code to comply with Rule 2.11(c) of the Takeover Code.

- (x) any asset of any member of the Wider HEIT Group constitutes criminal property as defined by section 340(3) of the Proceeds of Crime Act 2002 (but disregarding paragraph (b) of that definition).

Part B: Certain further terms of the Acquisition

1. Subject to the requirements of the Panel and the Takeover Code, BidCo reserves the right, in its sole discretion, to waive, in whole or in part, all or any of the Conditions set out in Part A of Appendix I above, except Conditions 2.1(a), 2.2(a), 2.3(a) and 2.3(c), which cannot be waived. If any of Conditions 2.1(b), 2.2(b), and 2.3(b) is not satisfied by the relevant deadline specified in the relevant Condition, BidCo shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived the relevant deadlines, or agreed with HEIT (or, in a competitive situation, with the consent of the Panel) to extend the relevant deadline.
2. If BidCo is required by the Panel to make an offer for HEIT Shares under the provisions of Rule 9 of the Takeover Code, BidCo may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.
3. BidCo shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions in Part A of Appendix I above that are capable of waiver by a date earlier than the latest date for the fulfilment or waiver of that Condition notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of satisfaction or fulfilment.

4. Under Rule 13.5(a) of the Takeover Code and subject to paragraph 5 below, BidCo may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse, or to be withdrawn with the consent of the Panel. The Panel shall normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to BidCo in the context of the Acquisition. This shall be judged by reference to the facts of each case at the time that the relevant circumstances arise.
5. Condition 1 (subject to Rule 12 of the Takeover Code), Conditions 2.1, 2.2 and 2.3 in Part A of Appendix I above, and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code.
6. Any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by BidCo.
7. The HEIT Shares acquired under the Acquisition shall be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid, or any other return of value (whether by reduction of share capital or share premium account or otherwise) made on or after the Effective Date.
8. If, on or after the date of this announcement and prior to or on the Effective Date, any dividend, distribution or other return of value is declared, paid or made, or becomes payable by HEIT, BidCo reserves the right to (without prejudice to any right of BidCo, with the consent of the Panel, to invoke Condition 3(e)(ii) in Part A of Appendix I above) reduce the consideration payable under the Acquisition to reflect the aggregate amount of such dividend, distribution, or other return of value. In such circumstances, HEIT Shareholders shall be entitled to retain any such dividend, distribution, or other return of value declared, made, or paid.

If on or after the date of this announcement, and to the extent that any such dividend, distribution or other return of value has been declared, paid, or made, or becomes payable by HEIT on or prior to the Effective Date and BidCo exercises its rights under this paragraph 8 to reduce the consideration payable under the terms of the Acquisition, any reference in this announcement to the consideration payable under the terms of the Acquisition shall be deemed to be a reference to the consideration as so reduced.

If and to the extent that such a dividend, distribution, or other return of value has been declared or announced, but not paid or made, or is not payable by reference to a record date on or prior to the Effective Date and is or shall be (i) transferred pursuant to the Acquisition on a basis which entitles BidCo to receive the dividend, distribution, or other return of value and to retain it; or (ii) cancelled, the consideration payable under the terms of the Acquisition shall not be subject to change in accordance with this paragraph 8.

BidCo shall also be entitled to reduce the consideration payable under the Acquisition in such circumstances as are, and by such amount as is, permitted by the Panel.

Any exercise by BidCo of its rights referred to in this paragraph 8 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.

9. BidCo reserves the right to elect (with the consent of the Panel and in compliance with the Takeover Code) to implement the Acquisition by way of a Takeover Offer for the HEIT Shares as an alternative to the Scheme. In such event, the Takeover Offer shall be implemented on the same terms, so far as applicable as those which would apply to the Scheme, subject to appropriate amendments, including (without limitation) an acceptance condition set at a level permitted by the Panel. Further, if sufficient acceptances of such offer are received and/or sufficient HEIT Shares are otherwise acquired, it is the intention of BidCo to apply the provisions of the Companies Act to acquire compulsorily any outstanding HEIT Shares to which such offer relates.
10. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable requirements.
11. The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, email or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.
12. The Acquisition and the Scheme are governed by English law and are subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Appendix I and to be set out in the Scheme Document. The Acquisition shall be subject to the applicable requirements of the Companies Act, the Court, the Takeover Code, the Panel, the London Stock Exchange and the Financial Conduct Authority.
